Dear Year 1 Parents,

We hope your child has had a wonderful start to the new school year. The students have settled very quickly and the teachers really appreciate your efforts during the holidays to sustain the children’s reading levels. The majority of students have maintained or moved beyond last December’s reading levels, which is an excellent achievement.

Last year, your Kinder family enjoyed the hospitality of the school community at a Welcome BBQ. The idea is to welcome families, with the little ones having the school grounds to themselves and let them feel comfortable and confident in belonging to this school.

The Year 1 parents traditionally undertake to prepare, cook and clean up the BBQ as their way of saying thanks for the welcome they received last year. We hope a number of mums and dads will generously volunteer to do the BBQ this Friday (Feb 12th) for the next generation of Kinder children. We need someone to purchase/organize the supplies, to cook, to set up and clean up. Receipts are sent back to school for reimbursement.

Please have a think about building the community spirit by contributing on Friday. We would love to have your assistance.

Thanks in anticipation
Ted Langford

I /We would LOVE to help on Friday! Starting about 4:30pm.
