Welcome to Bethany Catholic Primary School.

On behalf of everyone at Bethany, I extend to you a warm welcome to our community! I hope that this handbook will be of assistance to you, the parents of our children.

Bethany is the parish school of Padre Pio Parish, Glenmore Park. We recognise each child as being unique and formed in the image of God. We are a school community which fosters a friendly, trusting collaboration between School, Parish and Parents for the ongoing development and benefit of each child.

Our school provides a wonderful learning environment based on diverse learning activities initiated and facilitated by a team of caring and dedicated education professionals, supported by parental involvement.

I invite you to continue your fundamental role as first educator of your children. The staff aim to work in partnership with you and encourage you to be an active participant in the school activities.

I pray that God will bless our time together at Bethany. I pray also that it will be a time full of happiness, caring and support for each other as we focus upon the learning and development of your child in a truly Catholic atmosphere of love and concern for each individual.

We aim to provide a quality education for the 21st Century. New approaches and skills are emerging for life long learning and we will ensure that the best possible emphasis is given to improving each child’s learning, so that they are successful learners ready to meet the challenges of the 21st Century.

I wish you and your family a very happy and rewarding association with our Bethany community of learners.

Best wishes for the year ahead.

Ted Langford
Principal

Bethany is a dynamic Catholic school committed to living Gospel values, incorporating a spirit of community, acknowledging the uniqueness of each individual, encouraging optimal learning and with an ongoing appreciation of the environment.
Our Story

Bethany Catholic Primary School opened in 1996 and is situated in Glenmore Park, in the Diocese of Parramatta.

As a Parish School, Bethany promotes the Christian values that prompted its establishment. The Enabling Committee, with representatives from the Catholic Education Office and St Nicholas of Myra Parish, Penrith was responsible for the early planning of the school. Sub Committees were responsible for the areas of promotion, motto, emblem and uniform. The school aims to provide a learning environment that is stimulating, catering for the needs of the children and in line with contemporary educational practices.

Bethany aims to be a vibrant Catholic School which provides for the diverse needs of many children who are living in the Glenmore Park and Regentville area and who are part of the Parish of Padre Pio.

In recent years, Bethany has enhanced the learning environment for our students with refurbished classrooms, the construction of a hall and wonderful canteen facilities. We now have an onsite Before & After School Care Centre which caters for our families.

We are a 3 stream school catering for about 600 boys and girls from Kinder to Year 6.

Our Bethany motto is: “In Christ We Love and Serve”

Spiritual Life of The School

An integrated Religious Education Program is implemented throughout the school. The support and involvement of parents is encouraged.

The school follows the Religious Education Program "Sharing Our Story" developed by the Catholic Education Diocese of Parramatta.

Meaningful lessons in Religious Education are part of the school day and Gospel values and attitudes permeate all aspects of school life.

Children have the opportunity to celebrate liturgies which reflect the liturgical seasons and the life of the school. They also participate in reconciliation and prayer times as part of the school day.

The Parish facilitates family centred First Reconciliation, First Eucharist and Confirmation Programs for the children and the school supports these initiatives within its Religious Education Program.
Mission Statement

The mission of our school continues to be developed in collaboration with parents, teachers, pastors and children. Our aim is to provide quality education in a caring and supportive catholic environment.

The motto of Bethany, 'In Christ We Love and Serve', reflects the principles and values of a Christian community.

We have a commitment to the promotion of educational and personal excellence. We believe that education enriches and empowers the individual.

The value and dignity of each individual will be reflected in the promotion of self esteem, self discipline and responsibility.

Our curriculum aims to be dynamic, intellectually challenging and diverse in order to respond to students' needs in a rapidly changing world.

Each student is encouraged to aim for personal excellence and to develop skills of independent learning and critical thinking in a co-operative learning environment.

We have a close relationship between the school / parish communities. Within this context, individuals will be given the opportunity to share, celebrate and grow in their faith.

At every level: spiritual, academic, physical and social, parents are encouraged to participate in the life of the school. We welcome parental involvement in the children's formal education, in social activities and in sharing talents and skills within the school community.

As a Parish school community, we treasure our Catholic Faith and Tradition and draw on its strength so that we may live by our motto...

**CHANGE OF ADDRESS / PHONE NUMBERS / PERSONAL INFORMATION**

Please inform the school office if there is any change to your telephone number and or address details. This enables us to maintain accurate records so that parents can be contacted promptly, especially in the case of an emergency. An eForm is also available to complete on the Skoolbag App.

---

**NOTES TO THE OFFICE**

All notes are collected each morning in the classroom and sent to the office. Bus pass applications, confidential letters and fees can be sent this way. Please ensure that you write the child’s name and class or who it is for clearly on the outside of the envelope.

---

**AN EARLY APPOINTMENT**

If your child needs to be collected early from school for an appointment, a written note needs to be sent to the teacher prior to the appointment.

On these occasions when a child is to be collected early, the parent is required to first come to the office before collecting the child from the classroom and receive an early leave form signed by the parent and is to be given to the class teacher when collecting their child. In this way we will ensure that only parents and those responsible for the child take the children to appointments.

---

**ABSENCES**

If your child is away from school for any reason, a written note of explanation to your child’s teacher is necessary or complete the eForm on the Skoolbag App. If your child is to be absent from school for a week or longer, please notify the office and your child's teacher. Notes are required for part absences, i.e., if they are absent for part of the day. These notes are kept as official records. Please note, it is not necessary to contact the school if your child is absent for only one day. On their return, please send along a note of explanation which is dated and signed.

---

**COMMUNICATION**

If you need to speak to your child’s teacher, it is important that you do not interrupt their learning time. Is is advised that you ring the office to make an appointment and the teacher will contact you to arrange for a suitable meeting time.
SCHOOL FEES
The school fee structures are approved by the Board of Directors of the Catholic Education Office, Parramatta. No fees will be charged for a fourth or subsequent child, enrolled in a Catholic school in the given year. Please note this covers any child you may have enrolled in any Catholic Systemic School (High School or Primary School) in the Parramatta Diocese.
In cases of genuine hardship, please make an appointment to discuss your situation with the School Principal. We do encourage payment plans.

ADDITIONAL LEVIES
As well as school fees and the school building levy, an additional charge per child will appear on your invoice. This additional money is used to provide the children with extra materials and resources that will enhance their learning. A technology fee applies as we pursue a 21st century quality education for your child. These fees are also divided into three equal instalments and are payable when school fees are due.

COLLECTION OF MONIES
All monies to be sent to school should come in an envelope marked with the student’s name, amount of money included and purpose of payment.
Please do not include book club monies with school fees. All book club cheques are to be made payable to the individual Book Club provider, not the school.

Communication
Effective communication is essential to the proper functioning of all aspects of school life.
If there any concerns or issues, please contact your child’s teacher first then the Leader of Learning of the module. Assistant Principal and Principal can be contacted if needed after following the appropriate steps.

SCHOOL NEWSLETTER, SKOOLBAG APP AND E-NEWS
This is sent home electronically each week via the Bethany Skoolbag App and displayed on the school’s website www.bethanyglenmorepark.catholic.edu.au
This is a valuable source of information about events within our school community and a vital means of communication between school and home. It is important that parents read the newsletter carefully. Parents are asked to search and upload the ‘Bethany Skoolbag’ App to your smart phone or portable device free from the App store. We also that you provide the school office a current email address for grade notifications and subscribe to E-News from our website to download our google calendar for upcoming events and alerts.
Parents are invited to contribute to the newsletter. If you or someone you know has family, cultural, sporting or other news or achievements you would like us to share and/or celebrate, please forward the details in writing to the school office.
REPORTING TO PARENTS
We have many formal and informal processes to keep parents well informed on their child’s progress. Formal methods include Half Yearly and Yearly Learning Reports and family conferences. Informal communication can be through comments in books/diaries, parent/teacher meetings, a phone call, awards, and so on. Our teachers are very approachable and available, so please ring if you have a concern so that a mutually convenient time can be organised to meet.

DISCUSSIONS WITH YOUR CHILD’S TEACHER
You are most welcome in the school at any time. However, if you wish to speak at length with a teacher it is necessary to phone the school office to arrange an interview time, or send a note to your child’s teacher requesting a meeting. As you can appreciate, classroom teachers are unavailable for interviews during class time. During formal class time the teacher is responsible for his/her class and is committed to providing quality learning. Teachers regularly meet before and after school, so have numerous associated commitments out of their teaching times.

SCHOOL LEADERSHIP TEAM
The School Leadership Team is made up of the Principal, Assistant Principal, Religious Education Co-Ordinator and Leaders of Learning.

Members of the Leadership Team play an important part in the leadership of the school. If you wish to speak to the School Principal, Assistant Principal or other Specialist teachers, please phone the school to make an appointment.

YOU ARE YOUR CHILD’S FIRST TEACHER

- Take some time to play with your child; find out about their ideas and feelings

- Teach them good hygiene and sanitation
- Teach them “No means No!”

No nut products are available in the canteen

CRUNCH & SIP PROGRAM
Bethany’s Crunch & Sip Program is an easy way to help kids stay healthy and happy! Crunch & Sip is a set break to eat fruit or salad vegetables and drink water in the classroom. Students re-fuel with fruit or vegetables during the morning or afternoon, assisting physical and mental performance and concentration in the classroom. This gives kids a chance to refuel, a bit like putting petrol in a car. Each day students bring fruit or salad vegetables to school to eat in the classroom at a set time. Each child has a small clear bottle of water in the classroom to drink throughout the day to prevent dehydration.

Through Crunch & Sip, schools demonstrate their commitment to nutrition education in the classroom, by making links with the curriculum and creating a supportive school environment. The Crunch & Sip break gives children the opportunity to eat the piece of fruit that might otherwise be left in their lunchbox or not be eaten at all.

FOOD ALLERGIES
Sometimes severe or fatal reactions to nut, egg and other products by some children means that the canteen tries to provide healthy and safe products at all times. Also, please refrain from sending children to school with peanut butter sandwiches or nut based snacks so that it is safe for all and to minimise the dangers.

Encourage your child not to share food so as to protect those most in danger with these allergies.
SCHOOL ACCIDENT / SICKNESS

If your child is sick or has an accident at school, the first aid officer or class teacher makes the decision as to whether the parent needs to be contacted. This phone call is usually made by the office staff. In the event of a serious accident or sickness at school, the following procedure will be followed:

- The school will ring the parents if the parents are unavailable.
- The school will ring the emergency contact person nominated by Parent/Guardian if the contact person is unavailable.
- The school will contact the family doctor listed on the child’s personal file if the doctor is unavailable.
- The school will always take the necessary steps to ensure the well being of the child.

For this reason, it is vital that you keep us up to date with home and work phone numbers. At times it is important that we inform you of an incident even if the child is not to go home. This is so that you are aware of what has happened and can observe the child at home, e.g. the child has fallen and bumped his/her head.

*Please do not send sick children to school.*
*This can only serve to make classmates or teachers ill also.*

ADMINISTERING MEDICATION AT SCHOOL

**NON-PRESCRIBED MEDICATION** (e.g. Panadol, cough medicine, nasal sprays, lotions etc.) are not permitted to be administered by staff to children without *written advice* from a doctor.

**PRESCRIBED MEDICATION** will be administered but must be supplied by parents in the original container, clearly marked with:
- the student’s name
- the name of the drug
- dosage
- frequency of administration
- prescribing doctor’s name.

If this is the case, relevant documentation must be obtained from the school office for completion by the prescribing doctor.
CHILDREN SUFFERING FROM ASTHMA
All students with asthma should have a standard emergency action plan filled out by their parent/carer, in consultation with the student’s doctor to submit to the school upon enrolment. Although confidentiality is important, it is equally important that teachers and staff are aware of those students in their care with asthma (or severe allergies). Bethany is a registered Asthma Friendly School.

All students who have asthma should be encouraged to carry medication on their person for self administration to relieve asthma symptoms.

Students should be encouraged to take their blue reliever puffer (Airomir, Asmol, Bricanyl or Ventolin) immediately should asthma symptoms develop.

Children requiring a nebuliser must bring their own mask, tubing and medication with a note. It is advisable for parents to come to school to administer this. Children may need to be kept home if they are ill enough to require frequent medication.

ANAPHYLAXIS
All students with anaphylaxis should have a standard emergency action plan filled out by their parent/carer, in consultation with the student’s doctor to submit to the school upon enrolment. Children with high risk of anaphylaxis are enrolled at Bethany. Every reasonable effort needs to be made to minimise the exposure of students at risk of an allergic reaction to known allergens within the school environment. To support these children we need a whole school approach. As some children eat on the playground prior to school and all children eat on the playground at recess and lunch, everyone has possible contact with the students and therefore has a responsibility to minimise health risks.

We therefore expect that no nut products will be sent to school. Regular personal hygiene of washing hands after eating will be expected from students, staff and parents working in the school. No nut products are available in the canteen.

ANIMAL WELFARE
Whilst children bringing animals to school is not encouraged, there are procedures that must be adhered to if children bring pets to show their class.

- You are required to speak to the Principal to seek permission.
- Then make arrangements with the child’s class teacher in advance. If there is a casual teacher in the class, please do not bring the animal to school.
- The animal must be taken off school premises after the class has seen it. It may be advisable to bring the animal at the end of the day if you are unable to take it home in the morning.

These guidelines are for the safety and well-being of students, teachers and the animals.

We also ask families not to walk dogs to and from school. Arrival and dismissal times are very busy times. There are also babies and toddlers around.
WHAT YOU CAN DO TO HELP?

It is a big change for a five year old to pass from the intimacy of the family circle to school life. Here are some practical ways in which you can help the transition.

Over the months before starting school, try to let your child get used to:

- Putting on and taking off clothes eg. tucking in shirts, doing up buttons and putting on jumpers
- Putting on and doing up shoes, particularly laces
- Eating and drinking without help
- Using a handkerchief or tissue

It is important that your child knows how to:

- Open and close lunch boxes and drink bottles
- Use and flush the toilet and wash their hands unassisted
- Ask clearly for things. Could a teacher understand your child?
- Say his / her name and address
- Recognise name / property
- Write his / her own name.
- Recognise their name among others.

Also try to let your child get used to:

- Playing with groups of children of the same age.
- Encourage your child to share toys and take turns
- Staying at friends' or relatives' houses for a few hours without you around
- Caring for and putting away playthings
- Helping with small jobs around the house. Most children enjoy doing responsible things to please the family
- Re-telling the highs and lows of the school day
- Knowing what to do if parents are late
- Following simple instructions

Some weeks in advance rehearse with your child, in a spirit of play, the different situations to be met within school life:

- Opening and closing the school bag
- Unpacking and eating the school lunch (a sensible amount of food please)
- Dressing for school and making the journey to and from school
- Listening to stories, looking at pictures and talking about them
- Greeting companions by name.
Our Bethany Prayer

Loving God,
Jesus went to Bethany to rest and pray;
He was welcomed by His friends
And comforted by You.

May we follow Jesus
And the people who walked here before us,
To create a loving community.

We pray that our Bethany
Is an oasis of learning, where we become
The people we were born to be.

In our actions and words to each other,
Let us remember that
In Christ We Love and Serve.

Amen
We look forward to an exciting and rewarding time together while your child is a student at Bethany.

It is a wonderful school community and thank you for choosing to join us.
