MONDAY 24th February, 2020 TERM 1 WEEK 5

PRINCIPAL'S MESSAGE

Dear Bethany Families,

Last Friday we gathered in our parish church to mark the beginning of our school year with a Mass of Thanksgiving.

The Gospel reading for the day taken from Mark's Gospel (7:31-37) records the miracle of Jesus healing a deaf and mute man. In this extraordinary event Jesus encounters a man whose life is closed to communication. In the dramatic climax of the story Jesus says to the man, 'Ephphatha!' meaning, **'Be opened!'** Jesus' words and action enabled the restoration of the man's ears and tongue, giving back his power of hearing and speech.

The focus of the story is understandably the miracle taking place. Less obvious is that in the action of healing the man, Christ made himself ceremonially unclean according to the Jewish law of the day. Christ's act of healing in this case came with significant consequences.

In healing the man's condition, Jesus challenges the practice of maintaining ritual cleanliness at all costs. In acting to heal the deaf and dumb man, Jesus rejected the narrow-minded practice of the day that left people ritually clean but spiritually poor. In other words, His compassion came with a price. **A price Jesus was more than willing to pay.**

The Gospel time and time again shows us that if we wish to follow Christ, we need to turn our words into actions. Compassionate actions that come from a place of empathy (walking in the shoes of others) and carried out with humility (without pride or feeling superior). Our actions do matter. What's more, actions speak louder than words.

We are grateful for the large number of parents and families who were able to attend our Opening School Mass. We thank our Parish priest Father Suresh for his pastoral leadership of our school community.

We look forward with hope and joy to God's abundant blessings throughout this year of learning at Bethany Catholic Primary School.

We pray that we seek to always live by the compassionate example of Christ, as exemplified in our school motto: **'In Christ We Love and Serve'.**

Until Next time,

Sergio Rosato
Principal

**Preach the
gospel at
all times.
Use words
only when
necessary.**

Staff Professional Learning

Teachers share a significant responsibility in preparing young people to lead successful and productive lives. Effective teachers can be a source of inspiration and, equally importantly, provide a dependable and consistent influence on young people as they make choices about further education, work and life. Developing professional standards for teachers that can guide professional learning, practice and engagement facilitates the improvement of teacher quality and contributes positively to the public standing of the profession. The Australian Professional Standards for Teachers promote and encourage all teachers to engage in professional learning.

Please find outlined below the ongoing learning opportunities that our teachers will be involved in over the next fortnight.

Week 5

- Tuesday 25th February - Miss Joseph will engage in Reading Recovery Training.
- Friday 28th February - The following staff will be attending the RE Curriculum Ignite Day: Mr Rosato, Mrs Donlan, Mrs Wakim, Mrs Wilson and Miss Ahern.

Week 6

REC - Mrs Donlan

Last week our Bethany community gathered to celebrate the Eucharist to mark the beginning of the school year. We welcomed our new Kindergarten students, new staff and other new students who have joined us from Years 1 to 6. It was a wonderful celebration presided over by Father Suresh. Our new principal Mr Sergio Rosato and Miss Joseph led us with live music and singing. Students from various grades took part in the entrance procession that encouraged us to see *'that we are part of a larger family in God's kingdom.'*

It was wonderful to have so many parents and grandparents join us as well.

ASH WEDNESDAY

Ash Wednesday is one of the most popular and important holy days in the liturgical calendar. Ash Wednesday opens Lent, a season of fasting and prayer. Ash Wednesday comes from the ancient Jewish tradition of penance and fasting. The practice includes the wearing of ashes on the head. The ashes symbolises the dust from which God made us. As the priest applies the ashes to a person's forehead, he speaks the words: "Remember that you are dust, and to dust you shall return." Alternatively, the priest may speak the words, "Repent and believe in the Gospel." Our foreheads are marked with ashes to humble our hearts and reminds us that life passes away on Earth.

The ashes are made from the blessed palms used in the Palm Sunday celebration of the previous year. The ashes are christened with Holy Water and are scented by exposure to incense. While the ashes symbolise penance and contrition, they are also a reminder that God is gracious and merciful to those who call on Him with repentant hearts. His Divine mercy is of utmost importance during the season of Lent, and the Church calls on us to seek that mercy during the entire Lenten season with reflection, prayer and penance.

ASH WEDNESDAY MASS

You are invited to join us for our Celebration of the Eucharist that marks the beginning of the season Lent.

When: Wednesday 26th February
Time: 9:00am

MATHEMATICS

Ms Vion and Mrs Cutajar

It is often acknowledged that children should practice reading and spelling at home to build their capacity and understandings in these areas. Many don't recognise that similarly, mathematics should be engaged in at home for the same reasons.

The Victorian government has a fantastic and informative website on the importance of engaging in maths and numeracy at home. It includes information on evidence & research, resources, and additional activities & supports.

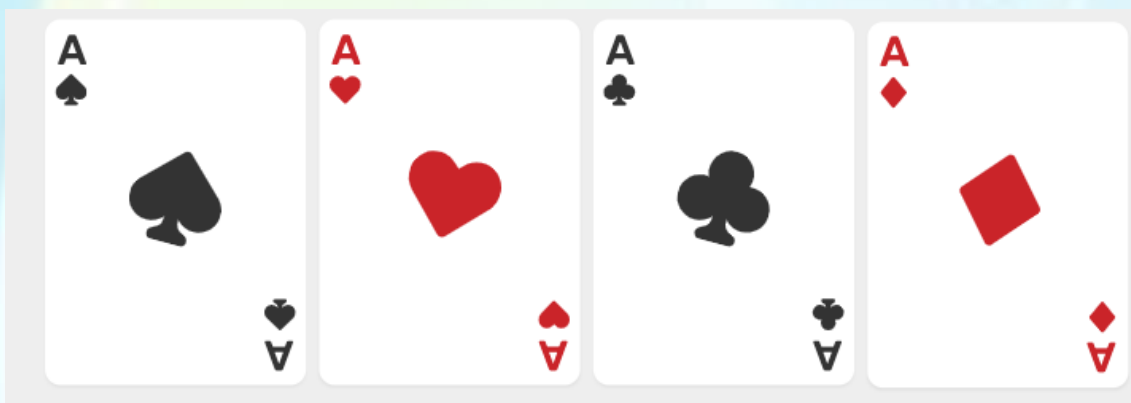

Below is the link to the specific page.

<https://www.education.vic.gov.au/school/teachers/teachingresources/discipline/maths/Pages/maths-and-numeracy-at-home.aspx>

One great way to spend time with your children is to engage together in a maths activity. This not only encourages conversation and bonding, but has the added benefit of honing maths skills.

One activity you might like to try is Go Fish (refer to table on following page).

Of course, in our hectic schedules, sitting down to play a game is not always possible. The following website (<https://www.mathplayground.com/>) offers fun games that drill basic skills. These games are offered at grade levels 1 through to 6. Quite a few of them encourage quick recall of operational facts in a race style game they can play against the computer or other people.

LIBRARY - Mrs Liepa

We are very proud of our well-stocked library, housing a wonderful selection of books for our readers. All students have the opportunity to borrow a number of books from the library each week. Students can borrow before school or at lunch times each Monday, Tuesday or Wednesday. Students visit the library weekly with their class teacher on the following days:

Kinder - Monday

Year 1 - Tuesday

Year 2 - Monday

Year 3 - Wednesday

Year 4 - Wednesday

Year 5 - Tuesday

Year 6 - Wednesday

Library borrowing is an important part of the school week this time allows students to engage with a diverse range of books to extend their imagination and develop a lifelong love of reading.

All children are encouraged to borrow books to read both at school and at home. The children, with the help of parents, need to remember to bring along their library bag so they can borrow books for the week.

With the encouragement of parents and teachers, children have the best chance to foster a love of literature and reading.

Kindergarten

Our Kindergarten students met Mrs Frugniet and Josie, our seeing dog. She told us how Josie helps Mrs Frugniet guide her around the school and how we can help by:

1. Making sure we put all our rubbish in the bin
2. Not to distract Josie whilst she is working
3. No patting Josie whilst she is wearing her harness

P&F ASSOCIATION

BETHANY P&F ASSOCIATION

On Wednesday 19 February Bethany P & F Association held its Annual General Meeting. The meeting was also attended by Principal Mr Sergio Rosato, Assistant Principal Miss Pascale Joseph and Religious Education Coordinator Mrs Jodie Donlan.

At this meeting, the P & F Executive Committee Positions – President, Vice President, Treasurer and Secretary were declared open as well as some General Committee positions (grade reps, parish liaison, PRC rep).

During the meeting, nominations for the four executive positions were not received and therefore the P & F Association at Bethany will not be able to function in this mode this year. The school will therefore be coordinating community and fundraising events during the year and calling on special purpose parent volunteer teams for each event.

We extend our immense gratitude to the outgoing P & F Executive - President Louise Gal, Treasurer Rachelle Clauna & Secretary Maria Holy for their outstanding commitment in coordinating and leading the various community building events that enriched both our school and student learning during 2019.

The fundraising of the P & F contributed to the upgrading and purchasing of valuable school resources which included new laptop computers and a new audio visual system for our school hall which will be installed next week.

We look forward to being able to work with parents in support of our students and their learning during 2020.

ATTENDANCE

Going to school every day is the single most important part of your child's education.

If your child is sick or absent you are required to notify the school on the first day of absence if at all possible. **All explanations to the school must be provided within 7 days from the first day of any period of absence.**

Absences can be explained using one of the following methods:

1. By submitting an absentee form via the SkoolBag app
2. Emailing the school at *Bethany@parra.catholic.edu.au*
3. Telephoning the school office on 4723 3700
4. Sending a note to school with your child.

Where an explanation has not been received within the 7 day timeframe or the explanation has not been accepted, the school will record the absence as unexplained or unjustified on the student's record. The school will not be able to accept explanations which are not received within the 7 day timeframe.

Justified reasons for student absences may include:

- being sick or having an infectious disease
- having an unavoidable medical appointment
- being required to attend a recognised religious holiday
- exceptional or urgent family circumstances eg attending a funeral.

Why do I need to notify the school if my child is absent?

Parents of children aged 6 to 17 years are legally required to ensure their children attend school every day or provide an explanation if they are absent. Notifying the school and providing an explanation for your child's absence will fulfil this legal responsibility.

The safety and wellbeing of students are the highest priorities for schools. Parents need to know if their child isn't at school, and schools need to know when and why a child is absent. Notifying the school of your child's absence helps ensure the safety and wellbeing of all children in school.

What is your responsibility?

- Ensure your child attends school every day
- Notify the school immediately if your child is absent
- Provide an explanation for any absences within 7 days
- Make sure the school has your correct contact details so that you can receive attendance information about your child
- Do not send your child to school if they are sick.

WORLD'S GREATEST SHAVE

On Monday 16th March, Ryan (6R) is shaving his hair to raise money for the Leukemia Foundation. The shave will take place at 8:30am during Assembly in the school hall. Let's all get behind Ryan and support him by sending your child to school with a **gold coin donation** on the day.

Read Ryan's article below.

Hi, my name is Ryan and I'm in 6 Red. I was diagnosed with Acute Lymphoblastic Leukaemia in January 2018, a couple weeks before starting Year 4 and my 9th birthday. I have been on treatment for over 2 years now and take my last dose of chemotherapy on February 29th.

Treatment has been long and really difficult. I had a lot of very serious complications and I've spent a lot of time in hospital. I hope for better treatment options for blood cancer in the future because I don't want anyone else to go through what I have. The best way I can help is to spread awareness and raise money for research so that's why I'm shaving my hair for the Leukaemia Foundation's **World's Greatest Shave** on Monday March 16th at 8:30am.

One of the less serious side effects of treatment was losing my hair but as you can see from the photo to the right, since it's grown back, I haven't wanted to lose any of it. I would be so thankful if the children of Bethany would bring in a coin to donate to the Leukaemia Foundation and help cheer me on.
