## PRINCIPAL'S MESSAGE

Dear Bethany families,

On Monday we celebrated the feast of our one and only Aussie recognised saint - **St Mary of the Cross Mackillop**. Mary MacKillop was born in 1842 in Fitzroy Melbourne and died 114 years ago at North Sydney on 8th August 1909. The first of eight children born to Scottish immigrants **Alexander Mackillop and Flora MacDonald**, her early life had a lasting effect on her faith, perspective and worldview.

Mary's father, Alexander found himself often without work and prone to impulsivity. This meant that he was often away from the family leaving them close to destitution on a number of occasions.

Mary's life was also chequered with personal loss and challenges including poor health and excommunication by the Church hierarchy. These experiences imbued her with a strong optimist faith and empathy for the

**plight of the battler.**

Inspired by a meeting with Father Julian Tenison-Woods, at the age of just 25 Mary MacKillop took vows and the religious name, "**Mary of the Cross**". With Father Julian's encouragement she founded the Sisters of St Joseph, also known as the "Brown Joeys".

Mary MacKillop began her first school in Penola South Australia dedicated to children from impoverished families. Within five years Mary had established over 30 schools in South Australia and over 100 women had joined the Sisters of Saint Joseph.

Mary and the early Josephites were **wallaby track women** like the indigenous people before them. The denseness of the landscape often made travel on foot incredibly difficult. Tiny tracks were discovered through the bush – tracks that had been worn by wallabies. The Sisters of St Joseph often used these tracks to reach those they needed to serve often the most neglected people in outback

# PRINCIPAL'S MESSAGE CONTINUED

towns and cities across the land.

Remaining true to the Gospel message, they committed to **bring the Good News to those who were poor, to embrace the outsider, and to welcome the stranger as friend.**

St Mary's wisdom, compassion and faith can be appreciated through her many quotes that she shared with her sisters and the communities she served:

- *Remember we are but travellers here*
- ***Have courage no matter what your crosses are***
- *We must teach more by example than by word*
- ***Let us really love one another***
- *Never see a need without doing something about it*
- ***God will carry you safely through every struggle***
- ***Be kind to the poor foreigners. Remember that I was a foreigner once, and as such was never laughed at, nor unkindly treated***

What Mary did with her life changed the course of Australian History.

Mary's Order and their outreach to look after the outcast of society and

to educate the young remains an extraordinary legacy - we are the stewards of this legacy and are called to carry it on.

Go Gently,

Sergio Rosato

Principal

**The Sisters of St Joseph  
vowed to:**

- Live simply
- Travel lightly
- Make room for all
- And live by the motto - 'Never see a need without doing something about it'.

## ANZAC Shield Presentation

Thankyou to Mr Robert Deviasse, ex serviceman and grandfather of Jacinta (6R) & Celeste (4R) who recently presented the school with a special handmade shield.

The shield contains the badges of Australia's Defence Forces (ADF) - Australian Army, Air Force (RAAF) and Navy (RAN) as well as the Combined Services Badge and a Commemorative 1915 ANZAC Badge.

The shield will be used during our school ANZAC Day Services in the future. We sincerely thank Robert for this very meaningful contribution to our school community. Lest We Forget.

## ASSISTANT PRINCIPAL'S MESSAGE

Dear Parents and Carers,

This week all the staff at Bethany completed some mandatory online training modules which focussed on many things such as Safeguarding. While completing this work, it reminded me of just how important online safety is for all technology users - children and adolescents, as well as adults. As adults, we are aware that whatever we post online remains there as a digital footprint, even if we remove a post or photo from our social network streams. As adults, we also know how dangerous it is to give away personal information to businesses or sites we may subscribe to online.

Educating our children on how to use technology safely is paramount. Parents and schools need to work in partnership to ensure our children always remain safe and respectful, especially when online.

The esafety website below is an outstanding resource for parents, children and schools. This site is produced by the Commonwealth government and has resources that can be downloaded, webinars you can join and even picture ebooks for our younger children to engage with.

<https://www.esafety.gov.au/>

*Learning about TikTok, Instagram, Snapchat and YouTube* is an upcoming online webinar for parents of young people aged 8-13 years. It will be held on Tuesday 16th August 7:30pm-8:30pm and Thursday 25th August 12:30pm-1:30pm. Please see the link below for the registration page.

<https://register.gotowebinar.com/rt/5639946412689525773>

I highly recommend that all families take the time to explore the eSafety website.

### Kiss 'n Ride Procedures

Thank you so much for the changes you have made and are continuing to make in working collaboratively with us to ensure that our Kiss 'n Ride procedures in the mornings and afternoons run smoothly and keep everyone safe.

#### **1. For both drop-off & pick-up:**

(a) Please have your **children sitting behind the passenger seat** to ensure that we maintain the safety of students and teachers and avoid walking between cars to allow students to leave/enter the car.

(b) Please have your child's school bag on their laps or on the passenger seat. **School bags should not be in the boots** of cars as this again means people are walking between cars.

(c) **Parents should remain in their cars** during drop-off and pick-up. Staff will assist children in/out of your vehicle. This enables the school to ensure a streamline drop-off and pickup process and to try and avoid unnecessary traffic build up in and around the school site as well as keeping everyone safe.

#### **2. For morning drop-off:**

(a) Please have the **students' bags on the front passenger seat**. Staff will gather the bags and place them on the footpath where the students can wait and then put their bags on. This way they are away from the cars and avoiding any trips on the carstop barriers on the ground.

Thank you for your continued support.

Go gently,

Rebecca Lloyd

## The Feast of the Assumption of the Blessed Virgin Mary

Monday 15th August is the **Feast of the Assumption of the Blessed Virgin Mary**. This feast is one of two holy days of obligation where we, as Catholics, are required to attend Mass. Bethany students will attend the parish Mass at 9am on Monday. We welcome parents and families who are able to attend this celebration with our school community. If you are unable to attend this Mass, an evening Mass is also available at 7pm.

The Feast of the Assumption of the Blessed Virgin Mary is a celebration of Mary being taken to Heaven (assumed into Heaven) in body and soul at the end of her earthly life. Mary holds an important place in Catholicism. She is the mother of Jesus and also our Heavenly mother. The fact that she was assumed into Heaven body and soul tells us of the importance Mary holds in our faith.

Last weekend, several children from our school community, along with children from the wider St Padre Pio parish family, were presented to the parish community in preparation for the sacrament of First Holy Communion. Please keep these children and their families in your prayers as they continue their journey of faith. Workshops for this sacrament will take place over the next two weeks (Wednesday 17th, Thursday 18th, Wednesday 24th and Thursday 25th August).

The 10am parish Mass at St Padre Pio last Sunday was well attended by many Bethany families. The children's Mass is a wonderful way to get to know more families within the wider community. The next children's Mass that Bethany families are especially invited to attend will take place in October (due to the sacrament of First Holy Communion Masses taking place in September).

The following classes will be attending the Friday morning parish Mass at St Padre Pio in the coming weeks:

Friday 19th August - 6B and KB

Friday 26th August - 6W and KW

Friday 2nd September - 6R and KR

The boys displayed great skill together with sportsmanship as they played each team in their pool. They may not have won, but I was very proud of the way the boys supported each other and respected the officials of the games.

A special thank you to Mr Almer who gave up his time to do a few coaching sessions with the boys at lunch and coach the boys on the day of the competition!

I would also like to say thank you to our ex students: Lachlan Anteck, Christian Fabiano and Cooper Ranieri from St Dominics, for sharing their knowledge and refereeing games on the day!

## Webinar Understanding the Process of Annulment within the Catholic Church

Hosted by Fr. Felipe San Felipe Siles of the Mission  
and the Tribunal of the Catholic Church, Diocese of Parramatta

**Date:** Wednesday 03rd August 2022

**Time:** 7pm - 9pm

Marriage breakdown is usually a traumatic experience for all concerned.

The Church recognises that it is important for those whose marriage has broken down, while upholding the sacramental nature of Christian marriage.

Many separated and divorced people and their families wonder about the process within the Catholic Church and wish to ask such questions as...

What is the basis for an annulment?

How does an annulment differ from a divorce?

How long does it take?

Are children of a marriage declared null considered illegitimate?

As this Webinar you will have the opportunity to have these and other questions clearly answered.
